Inquire, Empower, Innovate: Your Voice Matters.

Empowered Era - YSJU Student Union 2024

Hello YSJ Family, I am Abinash Chaudhary, the London Officer from June 2023 to July 2024. My tenure has been marked by transformative achievements, connecting with over 4000 students, forming dynamic clubs, and fostering a vibrant community. My commitment extends to an effective communication platform and instant support, transforming London into a hub of innovation and engagement. As I transition to the role of President of the Student Union, my mission is to make your time at York St John University truly amazing. With an "Empowered Era" plan, I promise a fresh approach to old issues, focusing on your success, collaboration, and an exciting university experience.

Achievements as London Officer:

- Instant Support to Students: Swift resolution of student issues through a dedicated support system.
- Guidance on Uni Life Experience: Personalized guidance from the start, ensuring a smooth university journey.
- Formation of Dynamic Clubs: Establishing diverse clubs like Startup Club, Sports and Games Society, Travel and Excursion Clubs, Entertainment Clubs, Research Clubs, and more. A structured process for creating leaders to ensure smooth operations.
- Communication Platform: A unified platform for London with daily updates to foster a sense of community.

Here is what I am promising in simple words when I am elected as "President of Student Union"

-Communication Revolution:

*My YSJ App Evolution: Transforming into a digital hub with personalized dashboards, real-time updates, and lobbying for AI-driven chat support along with event section added.

*Breaking Barriers: Combatting information overload, ensuring streamlined clear communication for all.

-International Student Empowerment:

*Dedicated Support: Addressing visa information issues, placement challenges, and accommodation concerns.

*Comprehensive Guidance: Fostering community, providing career support for our global Tigers.

-Networking and Alumni Nexus:

*Robust Networking: Creating a platform that redefines networking with innovative club models.

*Alumni Engagement: Turning alumni into mentors, enriching student connections, and prioritizing inclusivity.

-Holistic Well-being:

*Mental Health Prioritization: Expanding resources, optimizing the volunteer platform for meaningful engagement.

*Field-Based Education: Championing real-world experiences for a well-rounded and empowered individual.

-Internal Transformation:

*Efficient Intra-Communication: Overhauling internal communication for swift and clear exchanges.

*Tailored Support: A dedicated task force addressing exceptional circumstances and revamping information dissemination.

-Celebrating Your Achievements:

*Dynamic Student Profiles: Showcasing accomplishments and skills.

*Interactive Celebrations: Recognition ceremonies utilizing VR and AR, introducing digital badges and certifications.

-Sustainability and Inclusion:

*Eco-Friendly Practices: Implementing sustainability, supporting student-led projects.

*Inclusivity Initiatives: Championing diversity, cultural competency, and accessible infrastructure.

-Career and Opportunity Elevation:

*Holistic Career Development: Expanding programs, industry networking events, and entrepreneurial connections.

*Boosting Profiles: Introducing digital badges, aligning with industry standards.

*More placement opportunities and connections with industries!

-Making Things Easier Inside:

*Our Buddy System 2.0 is like having a super helpful friend. It connects you based on your interests and formulates a vibrant networking community, groups with like-minded peers for personal and professional growth.

*Need quick help? Lobbying for call center: it will be introduced during office hours for instant solutions in most of the administration segments.
